# **Ayat Nasir**

Aspiring Software Developer

Birmingham, United Kingdom 00447832157037 ayatnasir@gmail.com

#### **EDUCATION**

# **Althaus Digital, Remote** — *Software Development Bootcamp*

Here I learnt: the fundamentals of Web Development; the fundamentals of Back-End Development & fundamentals of C#

# **Royal Holloway College, University of London,** Egham — *Psychology, Bsc.*

My dissertation was about online anonymity and that it was inevitable. I researched the Bias Blind Spot, Online Syndication and Online Disinhibition and how it misleads young people into valuing Software Piracy over ethical consideration.

# Joseph Chamberlain Sixth Form, Birmingham — A Level

Sociology, Religious Studies, Mathematics & Film Studies.

Managing the visitors book and giving out security passes

# **Vodafone**, Stoke On Trent — Sales Advisor

September 2018 - March 2019

My role was to take inbound calls from new or existing customers and convert them into pay monthly sales.

# **Arora**, London — Data Analyst Intern

September 2017 - February 2018

- Liasing with my director and vendors we use as suppliers and also negotiating contracts with recruitment agonies that were used across the hotels.
- Presenting data to my director who was the primary decision maker and group purchasing manager.

## **Arora**, London — Receptionist

September 2016 - September 2017

Greeting visitors and directing them to the correct person or department • Managing the visitors book and giving out security passes.

# Madame Posh Limited, Windsor—Barista

December 2015 - June 2016

This restaurant was based in a highly populated area consisting mainly of tourists travelling to explore Windsor Castle and London attractions.

# Cafe Nero, Egham—Barista

October 2014 - August 2015

This restaurant was also based in a highly populated area consisting mainly of tourists travelling to explore Windsor Castle and London attractions.

# Hunter's Moor, Birmingham—Occupational Therapist

September 2013 - August 2014

As an occupational therapist, I performed tasks such as measuring blood pressure, taking notes of the clients' day activity, ensuring that the service provider is making the clients feel as comfortable as possible in assisting them in rehabilitating.
